**Schedule Notes:** Please read Vanessa's email of April 20, 2023, for notes on the May 14 Girls Choir Investiture Evensong and the June 15 – 18 Mini Tour and End-of-Season concerts.

**June 20: Possible fixes session.** We are hoping (depending on fundraising) to audio and video record our June 18 concert. Our purpose in recording the concert would be to get complete audio-video takes of at least a few pieces on the program, to release as "singles" on our YouTube channel. In case we are able to record the concert, we are including on the schedule a follow-up audio fixes session to correct any performance errors. We ask all choristers participating in the June 18 concert to please keep June 20 clear for the fixes session, until further notice.
